Online Exam

(A powerful tool for Online Exam Management System)

Welcome

Welcome to Online Exam Management System

Exam Management System is a MCQ based examination system that provides an easy to use environment for both Test Conductors and students. There are five different levels of user with different access level to control the application.

Key Features:

- Paid and Free course options.
- PayPal payment method integrated.
- Fully responsive design.
- Full branding control.
- Very easy installation process.
- Self hosted.
- Simple but beautiful user interface.
- Complete CMS application where you can control all system info from a nice Admin Panel. e.g.- Brand Name, Slogan, Frontend info, social media links, About us and more.
- User management.
- FAQ management.
- Messaging system.
- MCQ type questions.
- Category base questions.
- Update info on fly.
- Rich text editor.
- YouTube video integration on home page.
- Working with your local time zone.
- Fully Automated Evaluation and Results Calculation.
- An account can be deleted permanently and banned/deactivate.

- Registration system with email verification links.
- Token base forms to protect XSS attacks.
- Password recovery system.
- Secure login URL for admin/moderators.
- Unique login URL for Super Admin only.
- Compatible to all major browsers including IE9.

It has following roles:
